June 29-July 4 2006
Duration: 1:58 Size: 7.00Mb

LDRS 25
Silver Anniversary
June 29-July 4 2006

 Four DVD set with over 2 hours of video detailing more than 149 different flights. There is awesome onboard footage, wide-screen clips, and interviews with some of the usual suspects you might expect to see at an event like LDRS. If the fast paced, white knuckle action is too much to bear there are also over 2500 photos taken during the event.
